On Thursday, December 2, 2010, the students at Elmwood High School will be participating in a Day of Service to promote community involvement and sustainable awareness. Grade 9 students will be involved in a **Youth Action Forum for Sustainability**. This forum will take place at the school, and will begin at 9:00. The students will spend the day rotating through a number of different workshops, exploring the theme of sustainability in Manitoba.

**Lunch will be provided in the library** for the students at the school.
